Philip Nation Photography is now offering three Senior Portrait Session options.

NEW Custom Senior Sessions in your home. For this premium service, we come to your home, and photograph you in your own environment. What better way to capture who you really are? The session will last approximately 4 – 6 hours and offers **unlimited outfits, unlimited poses, and unlimited time.** Let's face it; you want something different than what everybody else is getting. You want your Senior Portraits to be – **All About You!** The Custom Senior Session fee is **\$195.00.**

The Senior Studio Session is \$125.00 and includes up to a 2-hour studio session and up to 6 clothing changes. This will give you time to relax and so we can truly capture your personality. After all more people will see your Senior Portraits than any other portraits you will ever have created. We will have a great time, and create some incredible images.

The Location Session is \$125.00. For this 1-2 hour session, we will travel to a location of your choice, such as a near by park or downtown area, within 35 miles of the studio. Additional travel fees will apply to locations outside of this travel area.
